

Bill and Debbie are two of the finest people that I know. I was intimately acquainted with them as God revealed His redeeming love through out their recovery. Since that time they have displayed the love of God to countless couples and individuals struggling through betrayal and addictions.

Bill has experienced first hand the devastation of sexual abuse as well as the consuming grip of sexual addiction. He has also witnessed God's power as he has been set free from the bondage of both. His testimony as well as the truth that God has revealed to him has blessed hundreds of men. I don't know how to say it more clearly, but if you're a man and are in need of healing you will be blessed if you have an opportunity to work with Bill.

Debbie on the other hand is a faithful servant of God. I was blessed to see how obedient she was to God's calling as she walked with Bill through his healing and her willingness to forgive the unforgivable. She is a woman of God who has been tested by adversity. She has a special message for all who will listen.

As you can tell I strongly endorse Bill and Debbie's ministry for those who are in need of healing. I pray that you will receive the same blessing that I have seen many others receive.
