

## **Testimony from Bill Young of The Rock Church in Salt Lake City, Utah**

I met Bill and Debbie Thurston years ago when they initially were considering moving to Utah. I could tell

immediately that God had done a profound work in their lives and in their ministry; it was evident that they

had a calling from God.

Since that time, I have appreciated Bill's heart to serve our church and many other churches in the Salt Lake

valley. Both Bill and Debbie have served as marriage coaches and specifically helped men find victory in

the area of sexual purity.

Bill has spoken to the men at our church. His compassion, humility, personal examples and wisdom were

unbelievably valuable to me and to those men serving in my church. I can say with confidence, that Bill's

desire to help men in this most sensitive area has borne good fruit in our church. His message is clear,

biblical and practical.

I thank God for Bill and Debbie Thurston. It is an honor to recommend their ministry to all who desire to see

God's bride become pure & spotless.

Sincerely,

Bill Young
