

This is a testimony from Trey Kent. He was the pastor that was with Bill and Debbie when they became Christ followers. Trey and his wife Mary Ann were there with love and support when they went through their toughest times.

“God made a miraculous turnaround in Bill and Debbie's marriage. They have a powerful testimony of hope for marriages facing any difficulties. I would highly recommend you having them share their LIFE CHANGING testimony at your Sunday service, men's group, or couples retreat. You will laugh, you will cry and you will find hope in Christ!”
